**Description of fiscal impact:** The bill would change 6 positions in Office of Economic Development from exempt staff to classified employees.

### FISCAL ANALYSIS

#### Assumptions:

- The six positions would have to be classified by the State Personnel Division on the basis of position descriptions. On guidance from the State Personnel Division, the office assumed the positions would be classified as economists or as economic development specialists. The office estimated there would be 2 Economists Pay Band 7, two Economic Development Specialists Pay Band 7, and two Economic Development Specialists Pay Band 6. The classification assumption was based on comparable job duties and complexity levels to current classifications.
- It is assumed that current incumbents' salaries will fit within the pay bands of the position classifications. Therefore, there will be no fiscal impact.
